

Press Release

QSL EXPANDS ITS FOOTPRINT IN THE QUEBEC CITY AREA WITH THE ACQUISITION OF LES VOITURIERS TRANSIT AND A LARGE WAREHOUSE FACILITY

Quebec City, July 4, 2022 - QSL, a world-class company specializing in port terminal operations, stevedoring, marine services, logistics, and transportation throughout North America, is pleased to announce the acquisition of "Les Voituriers Transit Inc." and a large warehouse facility owned by "Transit Henri IV" in Quebec City. These operations combined will form QSL Transit, a new entity that will enhance QSL's logistics service offering.

QSL is thus consolidating its range of services and will be able to offer its customers a unique expertise developed by the teams of these two companies. All employees of "Les Voituriers Transit Inc." and those working in the warehouse located at 5265 John Molson Street in Quebec City are welcomed with open arms into the QSL family.

Founded in 1989, "Les Voituriers Transit Inc." specializes in road transportation, particularly non-standard, short or long distances. The heated warehouse is accessible by truck and railcar.

About QSL

A key logistics chain actor headquartered in Quebec City, QSL develops innovative, tailor-made handling solutions, while treating cargo with care, listening closely to our clients and being committed to contribute to the well-being of the communities in which it operates. Its socioeconomic footprint is impressive, with more than 2,000 employees and activities in 63 ports and terminals across Canada and the United States. QSL is listed among Canada's Best Managed Companies and Canada's Most Admired Corporate Cultures. All of its port terminals are Green Marine certified. Last fall, QSL was the first Canadian maritime company to join the United Nations Global Compact. www.qsl.com
